

SITE ALLSCHWIL LAB SPACE

Across three sites we connect, support and engage people with ideas and passion. At our main site in Allschwil, we focus on biotech and medtech and offer private and shared labs, private and shared offices as well as common space suited to your everyday business life. Your place to shape the future and dream big. The rest is taken care of for you. A broad set of services for a smooth realization of your ambition – to guide and support you on your way towards success. On top, you are given access to a community of great minds to support and accompany you on your success journey.
