

SITE ALLSCHWIL LAB SPACE

Across four sites we connect, support and engage people with ideas and passion. At our main site in Allschwil, we focus on biotech and medtech and offer private and shared labs, private and shared offices as well as common spaces suited to your everyday business life. It's your space to shape the future and dream big – the rest is taken care of for you. Our broad set of services assists and supports you on your way towards success and ensures a smooth realization of your business endeavor. On top, you are given access to a community of great minds to support and accompany you on your journey of success.
