

SITE JURA WORKSHOP AND INNOVATION SPACE

Our four meeting rooms as well as our flex zone allow companies to organize professional meetings in an innovative and welcoming setting. Our set-up creates an ideal working environment and allows to be creative and innovative. Additional support and services may be provided so that your team and guests feel welcomed. We are happy to assist you with the organization of your meeting and are here to answer all your queries.

Contact us and become one of tomorrow's innovators by joining our inspiring space.
