

SITE MAIN CAMPUS PRIVATE OFFICES, COWORKING AND LAB SPACES

The Main Campus is one of the four sites of Switzerland Innovation Park Basel Area and offers 50'000 m² of interconnected innovation space. As part of the most dynamic life sciences cluster in Europe, this iconic campus of collaboration and research is a meeting point for biotech and healthcare trailblazers. The landmark architecture by Herzog & de Meuron and developed by SENN, actively promotes exchange and offers modern working environment for startups, scaleups and established companies.

Whether you grow your business in an environment built on innovation or you quickly require an equipped lab, office or coworking desk: contact us and reserve your space.
