

# SITE MAIN CAMPUS MEETING AND INNOVATION SPACE

The Main Campus is one of the four sites of Switzerland Innovation Park Basel Area and offers 50'000 m<sup>2</sup> of interconnected innovation space. As part of the most dynamic life sciences cluster in Europe, this iconic campus of collaboration and research center will be a meeting point for biotech and healthcare trailblazers. The landmark architecture by Herzog & de Meuron and developed by SENN, actively promotes exchange and offers modern working environment for startups, scaleups and established companies.

## Services and Infrastructure

- Welcome desk
- Modern meeting facilities and services
- Presentation screens in all meeting rooms
- 82 inch video conference equipment
- Meeting OWL Pro
- Public parking garage
